

DEPARTMENT OF THE INTERIOR**Fish and Wildlife Service****Endangered and Threatened Species Permit Application**

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of application.

The following applicant has applied for a permit to conduct certain activities with endangered species. This notice is provided pursuant to section 10(c) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531, *et seq.*).

Permit Number TE 020555

Applicant: Ohio Historical Center, Columbus, Ohio (Principal Investigators Robert Glotzhober and Dwight Moody)

The applicant requests a permit to take (collect, salvage) endangered Hine's emerald dragonfly (*Somatochlora hineana*) in the States of Ohio and Alabama. Activities are proposed for the enhancement of survival of the species in the wild.

Written data or comments should be submitted to the Regional Director, U.S. Fish and Wildlife Service, Ecological Services Operations, 1 Federal Drive, Fort Snelling, Minnesota 55111-4056, and must be received within 30 days of the date of this publication.

Documents and other information submitted with this application are available for review by any party who submits a written request for a copy of such documents to the following office within 30 days of the date of publication of this notice: U.S. Fish and Wildlife Service, Ecological Services Operations, 1 Federal Drive, Fort Snelling, Minnesota 55111-4056. Telephone: (612/713-5350); FAX: (612/713-5292).

Dated: December 17, 1999.

Charles M. Wooley,

Assistant Regional Director, Ecological Services, Region 3, Fort Snelling, Minnesota.

Availability of a Draft Environmental Impact Statement and General Management Plan for Zion National Park Incorporating a Land Use Plan Amendment for the Bureau of Land Management (BLM) St. George Field Office Resource Management Plan

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act of 1969, the BLM, St. George Field Office, Utah announces the availability of a Draft Environmental Impact Statement and General Management Plan (DEIS/GMP) for Zion National Park, Utah. The DEIS/GMP incorporates a land use plan amendment for the BLM St. George Field Office Resource Management Plan (1999).

On February 17, 1998, the St. George Field Office published in the **Federal Register** a notice of intent to conduct a plan amendment within the Dixie Resource area (now known as St. George Field Office), Washington County, Utah. Further, the notice indicated that BLM initiated the plan amendment through a joint planning effort with Zion National Park for the purpose of conducting wild and scenic river studies of five specific tracts on BLM-managed land contiguous to the Zion National Park's boundary. The St. George Field Office and Zion National Park prepared a Memorandum of Understanding regarding this joint planning effort.

DATES: Comments on the land use plan amendment to the St. George Resource Management Plan (incorporated within the DEIS/GMP) will be accepted through March 23, 2000. Comments specific to the DEIS/GMP for Zion National Park are due by February 11, 2000 (see **Federal Register** Volume 64, Number 233, Pages 68114-68115). Public meetings concerning both the DEIS/GMP and BLM's land use plan amendment will be held at the following locations and dates:

- All meetings will run from 7-10 p.m.
- January 6, 2000, Sharwan Smith Center, SUU, 351 W. Center Street, Cedar City, UT
- January 10, 2000, Town Offices, Public Assembly Hall, 118 Lion Boulevard, Springdale, UT
- January 11, 2000, Kanab City Library, 374 N. Main Street, Kanab, UT
- January 12, 2000, Interagency Offices and Information Center, 345 E. Riverside Road, St. George, UT
- January 13, 2000, Utah Department of Natural Resources, 1594 W. North Temple, Salt Lake City, UT

ADDRESSES: Comments and information regarding river values on the specific public land tracts identified in this notice should be submitted on or before March 23, 2000, and sent to, Jim Crisp, St. George Field Office Manager, 345 East Riverside Drive, St. George, Utah 84790.

Comments, including names and street addresses of respondents, will be

available for public review at the BLM St. George Field Office and will be subject to disclosure under the Freedom of Information Act (FOIA). They may be published as part of the Final EIS and other related documents. Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review and disclosure under the FOIA, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, will be made available for public inspection in their entirety.

Public reading copies of the DIES/GMP will be available for review at the following locations: Office of the Superintendent, Zion National Park, Springdale, Utah 84767-1099; Telephone (435) 772-0211; Planning and Environmental Quality, Intermountain Support Office—Denver, National Park Service, PO Box 25287, Denver, CO 80225-0287, Telephone: (303) 969-2851 or (303) 969-2377; Office of Public Affairs, National Park Service, Department of the Interior, 18th and C Streets NW, Washington, D.C. 20240, Telephone: (202) 208-6843. The DEIS/GMP is also available for review on the National Park Service's Internet site at www.nps.gov/planning.

FOR FURTHER INFORMATION CONTACT: Jim Crisp, BLM St. George Field Office Manager, (435) 688-3201.

SUPPLEMENTARY INFORMATION: Federal land management agencies are directed by Section 5(d)(1) of the Wild and Scenic Rivers Act of 1968 to consider the potential for national wild, scenic and recreational river areas in all planning for the use and development of water and related land resources. The BLM's St. George Field Office, during their past planning effort, learned that when river segments on three, small, isolated tracts of BLM-managed public land contiguous to Zion National Park were evaluated in the early 1990's as part of the St. George planning effort, they were determined by BLM not be eligible for further study. These river segments are Willis Creek (T. 38 S., R. 11 W., Sec. 27: SWSW—40 acres affected), Beartrap Canyon (T. 39 S., R. 11 W., Sec. 3: SWNW—40 acres affected), and Goose Creek (T. 39 S., R. 10 W., Sec. 31: NESE, S2SE—120 acres affected). Additionally, contiguous river segments within the Park were not evaluated at that time. The BLM's St. George Field Office also learned that Zion National Park was preparing a General Management Plan and as part of that effort was conducting a wild and
